Accomplishments

Based on information from IHQ, a number of chapters, both Undergrad and Alumni had their Tax Exempt Status revoked by the IRS.

Each chapter in Kappa Alpha Psi has an “EIN” assigned to it by the Grand Chapter. Each year on 1 October, all chapters must file an IRS 990N Tax Form to the IRS. If you fail to file for 3 straight years, the IRS will automatically revoke your chapters status.

The Province responds was to put together a teleconference, prepare power slides, and conduct instructions to get those affected chapters back in a favorable status.

Accomplishments

We are working closely with IHQ to reduce delinquent insurance premiums and officers report in the future.

In the last report from IHQ our insurance premium delinquency is down to 2 chapters.

Delinquent Officers Reports are down.
